

local STEM firms, their websites and business sector(s)

- 1) Alexion Pharmaceuticals
 - a) <http://www.alxn.com/>
 - b) designs, manufactures, and markets patient therapies
- 2) Alloy Engineering
 - a) <http://www.alloyengineering.com/>
 - b) designs, manufactures, and markets high quality alloy-based equipment for industrial applications
- 3) Amphenol
 - a) <http://www.amphenol.com/>
 - b) designs, manufactures, and markets electrical, electronic, and fiber optic systems (including cable, connectors, interfaces, and more)
- 4) Sargent- Assa Alboy
 - a) <http://www.assaabloy.com/en/com/>
 - b) designs, manufactures, and markets locks and associated controls
- 5) Bigelow Tea
 - a) <https://www.bigelowtea.com/>
 - b) manufactures and markets tea
- 6) Bridgeport Fittings
 - a) <http://www.bptfittings.com/>
 - b) manufactures and markets wholesale fittings for electrical applications
- 7) Chabaso Bakery
 - a) <http://chabaso.com/>
 - b) bakes, markets, and delivers artisanal breads and related products
- 8) Covidien
 - a) <http://www.covidien.com/>
 - b) develops, manufactures, and markets surgical devices
- 9) DRS Power Solutions
 - a) <http://www.pivotalpower.com/>
 - b) design and manufactures power conversion products
- 10) Dupont
 - a) <http://www.dupont.com/>
 - b) designs, manufactures, and markets a variety of chemicals
- 11) Enthone
 - a) <http://enthone.com/>
 - b) manufactures and markets wear and corrosion resistant coatings for decorative, automotive, electronic, and aerospace applications and more

12) General Electric

- a) <http://www.ge.com/>
- b) a global conglomerate firm that invests & finances projects around the globe, as well as designs, manufactures, and markets appliances, lighting, and power systems

13) Holo-Krome

- a) <http://www.holo-krome.com/index.html>
- b) manufactures high quality fasteners

14) Intel

- a) <http://www.intel.com/>
- b) designs, manufactures, and markets semiconductor chips

15) Ivy Biomedical

- a) <http://www.ivybiomedical.com/index.php>
- b) designs, develops and manufactures patient cardiac monitors

16) Jackson Laboratory

- a) <http://www.jax.org/>
- b) nonprofit organization focusing on mammalian genetics research to advance human health, also provide scientific services and genetic resources to laboratories around the world

17) Leed Himmel

- a) <http://leed-himmel.com/>
- b) designs, manufactures, and markets wholesale aluminum products

18) Lighting Quotient

- a) <http://www.thelightingquotient.com/>
- b) develops, manufactures, and markets high-end consumer and industrial light fixtures

19) Marmon Utility (Kerite)

- a) <http://www.kerite.com/>
- b) Manufacturer of medium and high power transmission, subsea and submersible cables and pump cables

20) Norwalk Compressor

- a) <http://www.norwalkcompressor.com/>
- b) manufacturers and markets gas compressors for industrial applications

21) Numet

- a) <http://www.numet.net/>
- b) manufactures and markets components for jet engines

22) Orange Research

- a) <http://www.orangeresearch.com/>
- b) designs, manufactures, and markets gauges (including pressure, flow, temperature, and more primarily for the oil & gas industry)

23) Oxley

- a) <http://www.oxleygroup.com/usa>
- b) designs & manufactures LED indicators, filters and connectors, as well as LED lighting systems for military and aerospace applications

24) Palmieri Food Products

- a) <http://www.palmierifoods.com/>
- b) Manufacturer of pasta sauces, salsa, buffalo chicken wing sauce, horseradish and cocktail sauce

25) PEP Lacey

- a) <http://www.peplacey.com/>
- b) designs and manufactures surgical devices and assemblies, and components for aerospace, automobile, and sporting goods industries.

26) Pepperidge Farm

- a) <http://www.pepperidgefarm.com/>
- b) baker of cookies, breads, and crackers

27) Prime Technologies

- a) <http://www.primetechnology.com/>
- b) Manufacturing and engineering services for measurement, display of time, temperature, and pressure communication equipment

28) Pratt & Whitney

- a) <http://www.pw.utc.com/Home>
- b) designs, manufactures, markets, and services aerospace-related products

29) Precision Combustion

- a) <http://www.precision-combustion.com/>
- b) develops and manufactures catalytic devices and systems for the energy sector

30) Schick

- a) <http://www.schick.com/>
- b) designs, manufactures, and markets razors and grooming products

31) Schwerdtle

- a) <http://www.schwerdtle.com/>
- b) designs and manufactures die & stamping processes, tools, and more

32)Silex Medical

- a) www.silexmedical.com
- b) designs, manufactures, and markets laparoscopic surgical instruments, including graspers, scissors, dissectors, and punches

33)Sikorsky

- a) <http://www.sikorsky.com/Index>
- b) designs, manufactures, and markets helicopters and planes

34)Solidification Products International

- a) <http://www.oilbarriers.com/>
- b) Manufacturer of patented oil barrier & containmentsystems and Oil Band spill kits for oil cleanup

35)Stelray Plastic Products

- a) <http://www.stelray.com/index.html>
- b) full-service injection molding for electronic, medical, pharmaceutical, automotive, consumer appliance, as well as general industrial applications

36)Ulbrich Steel

- a) <http://www.ulbrich.com/>
- b) designs, manufactures, and markets wholesale metal products (including sheet metal, wires, and more)

37)Unicorr

- a) <http://www.unicorr.com/>
- b) designs, manufactures, and markets packaging (e.g., cardboard, plastics)

38)VonRoll

- a) <http://www.vonroll.com/en/>
- b) offers electrical insulation products, systems and services for generators, motors, and transformers; produces composite materials and parts; and provides solutions for waste water management
